Junior Class Presents 1988 Prom

Being class sponsor has been a yaluable experience for me. I have helped students make decisions and learn financial responsiblity, but I have learned as much as if not more than, the students.

Although the task invovles hard work, organization, and long hours, I enjoy the opportunities to interact with students outside the classroom. It is very rewarding to witness their smiles, their starry eyes, and sometimes their tears as they see their dedication and hard work take shape in the beautifully decorated gym.

Soph. Musician

At Age 16, Tim Shortt Is An Accomplished Musician Who Has Done Session Work And Concerts.

For approximately 9 years Tim Shortt has been playing five different musical instruments. Tim plays the guitar, bass, drums, piano, and keyboard. Tim's interest in music began with his involvement in church.

Tim has played in church, here at H.H.S., as entertainment, and with Kevin Barrett on his album "A Reason To Sing."

Tim's favorite instrument is the drums, but he says that he's been playing the bass guitar longest, so he's better at that.

When asked what his ambitions are, Tim replied, "I'd like to be a studio musician, or play in a Gospel group, or something like that."

Tim Shortt lays down a bass track at Big Wheel Recording Studio in Swords Creek, VA.

"I'd like to make it somewhere in the music business," says Thomas Taylor. At the rate Thomas is going at now, he very well may make it in the music business. Thomas sings and plays exceptionally well. He's been singing public for almost 8 years now, and he's been playing the guitar and keyboard for 3 years. Occasionally Thomas sings in church, and at school as entertainment for pageants and such. He frequently sings on Abingdon's WBBI radio station. Thomas prefers the older rock-n-roll, such as 50's tunes, but he also sings some country. '87-'88 has been more or less Thomas' debut. Thomas competed in the "Share the Fun" talent show here at H.H.S. and placed first. He then placed second in district, and he went to state competition June 23.
